						Stronghold
Notes						
<p>* A swarm of small flyers, bat-sized, appear and hover over your heads. They seem to be merely curious, and never get any closer than 20 feet or so. They follow you as you move, the only sound the rustling of hundreds of wings. Maybe they're just checking if you're a threat, maybe they are a spotter species for a large carnivore.</p> <p>*</p>
