Notes						
<p>* A piece of exotic wreckage, half-buried in the sand, about the size and shape of a bus. One end is missing, having been apparently sheered away in a perfect spherical shape, leaving clean cut metal edges. It has seating and control panels so seems to have been a vehicle, but both the materials and controls are unknown and seem very far advanced of your own tech. Careful exploration will reveal</p> <p>*</p>
