Notes		<p>* The Obelisk - A small clearing in the woods reveals a high tech machine that appears to be levitating an obsidian obelisk in the center. Touching with the obelisk in any way will cause it to stop levitating and fall to the ground. If it doesn't shatter on impact, it can be sold for a fair sum. Beware, though! This may cause an alien cult to put a bounty on you.</p> <p>*</p>
